## Campus Crime and Security Survey

The U. S. Department of Education requires that we inform you of criminal activity on and around our campus. The institution must, upon written request disclose to the alleged victim of any crime of violence, or a no forcible sex offense, the results of any disciplinary proceeding conducted by the institution against a student who is the alleged perpetrator of such crime or offense. If the alleged victim is deceased as a result of the crime or offence, the information shall be provided, upon request to the next of kin of the alleged victim. This provision applies to any disciplinary proceeding conducted by the institution on or after August 14, 2009 (HEOA amendment).

There was no criminal activity on campus for either year.
